Subject: What we agreed you will followup on

Pavillion:

- Followup with Rick and Dom to get me:

1. writeup on the protocol for low yield wells
2. our results
3. USGS results with comparisons

- Followup with Steve (or can you send us his cell phone number?)

1. regarding status of ADQ and
2. to make certain Neptune is working this weekend

HF Data Tables:

- Have Susan send copies of the homeowner reports

Prospective Studies:

- send me copies of the QAPPs and anything else that would help in writing up the reports

I think that was it...did I forget anything?

Thanks!

Cindy
